Volunteer Corner

Many thanks to the people who work at the Mt. Olympus Improvement District. The District has donated temporary space to the City. While we await for revenues to begin flowing, the City has not had any staff to maintain a physical presence at our offices. So District employees have kindly filled in, answering questions of residents who walk in, directing phone calls, collecting our mail, and being the best roommates one could ever have! We are indebted to the Mt. Olympus Improvement District, and its wonderful staff. Thank you.
